MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

1. The copies of correspondence attached to a letter to Representative John P. Saylor (R., Pa.) dated 12 April 1971 from a constituent, [REDACTED] was discussed with [REDACTED] Office of Medical Services. [REDACTED] expressed his concern to Representative Saylor that he has, over a period of time, received numerous requests from Government agencies for medical information concerning patients without authorization from the patient or responsibility for payment for the necessary services.

2. [REDACTED] stated that [REDACTED] is an applicant for Agency employment. She provided certain information in her medical form which raised questions. [REDACTED] sent her a letter on 17 February asking that she request her doctor to provide a summary of her medical problem. The letter noted that the Agency could not reimburse her for any expense involved. This unfortunately resulted in a series of exchanges of correspondence between [REDACTED] and [REDACTED] and [REDACTED] insisted on the Agency securing a release from [REDACTED] and paying for his services before he would provide a medical summary. On 5 April [REDACTED] wrote to [REDACTED] stating she had contacted [REDACTED] and had paid him for the medical summary which she hoped would be promptly sent to [REDACTED]. This has not been received to date. On 26 April [REDACTED] received a letter from a [REDACTED] [REDACTED] furnishing the necessary medical information.

3. [REDACTED] informed me that he was sending a letter to [REDACTED] advising her of the receipt of the medical information and that her application is being processed. [REDACTED] stated that he has no receipt of a letter to him from [REDACTED] dated 10 April 1971, a copy of which was attached to [REDACTED] letter to Representative Saylor.
